The Petaluma Watershed Foundation (PWF) has the challenging and rewarding opportunity to engage in restoration, management, and protection efforts for our unique system of land, creeks, river and marsh -- comprising the Petaluma Watershed.

Our community-based organization includes an open membership of rural and urban landowners, stakeholders, and residents.

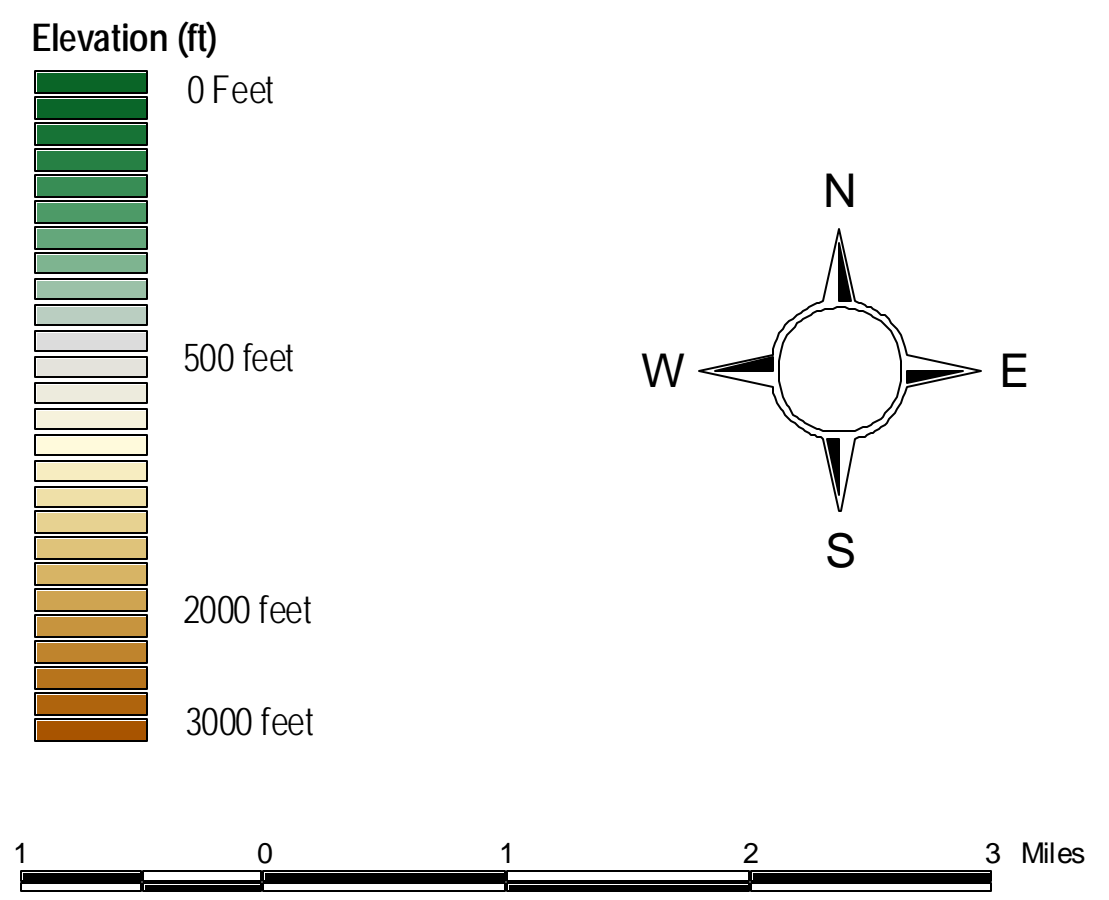

**GOALS:**  
 Work with the landowners, RCD, and other partners to accomplish the goals in the Petaluma Watershed Enhancement Plan.

Work with the Regional Water Quality Control Board in water-quality improvement.

Collaborate with the City of Petaluma and Sonoma County on surface-water management and flooding.

Coordinate projects with other agencies and watershed groups.

This map project is funded by generous support of Advanced Fibre Communications
